

Project Recover Meeting Minutes

Date & Time: 10/6/14, 6-7pm

Location: CFLR; Utica

Who: Laura Jacquays, Richard Koslosky, Susan Koslosky, Charlene Levonski, Scott McCumber

Topic	Discussion
Recovery Event	-Discussed what went well: good public turnout, good agency participation -what didn't go well- need media participation and more activities for all ages -Ideas for next year- rock climbing wall, games with raffles and prizes, make the event a fundraiser also -also discussed the possibility of having different Project Recover promotional events at various locations in the community such as churches or libraries throughout the year
Recovery Film Festival	- went well but did not have a big turnout -will get a venue at least a couple months in advance and will work on promoting it more to get more people to attend next year's film festival -Charlene discussed possibly showing some of the films at different locations in the Vega Center or other Municipal Housing Authorities locations.
Workshops	-2 planned workshops that we will be promoting- MHA is having a Financial Literacy workshop on October 29 th at the Vega Martinez Center and a Preparedness Training that Scott McCumber will be giving on November 10 th before our Project Recover meeting - planning workshops in the future – book club and fitness training – will have dates for next meeting
Recovery Zones	-order the window stickers by the end of the week so the stickers will be out in the businesses/agencies within two weeks
Recovery Coaching	-looking at a training that is five days long to become certified as a Recovery Coach-will hopefully have a volunteer certified by the end of the year
Website	-discussed trying to see if Project Recover can have its own website and search engine -will talk with Mary Margaret about adding workshops, resources, and meeting flyer and minutes -hopefully have most of the information up on the website by end of week- check it out when get a chance and give feedback to Laura about the site

Next Meeting	Monday, November 10 th , 7-8pm (Preparedness Training with Scott McCumber from 6-7pm)Wednesday, November 12 th from 6-7pm at Herkimer
